- Engaging your board members and network to become donors and advocates
- Fundraising concepts to Board Recruitment to Strategic Planning
- Social Media tools and ideas

This Workshop will be facilitated by Jimmy D. Lee

Jimmy comes to Goodcity with vast experience in the government and nonprofit industries both locally and globally. In 2009, Jimmy was named one of Crain's 40 Under 40 following his bid for the United States Congress in the 11th Congressional District of Illinois. He was the former Executive Director for the White House Initiative on Asian Americans and Pacific Islanders under former President George W. Bush, and the former Executive Director of the Chicago Chinatown Chamber of Commerce.

Jimmy is very active here in the local community of Chicago. Currently, he serves as a board member for various organizations that are socially impacting the City of Chicago.
